At The Hollybush we want you to enjoy your burger just the way you like it and of course, it should be up to you. However, the Food Standards Agency has asked us to point out that undercooked meat may increase the risk of foodborne illness, particularly for those who are very young, elderly, pregnant or suffering illness. Burgers are cooked to order. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, particularly for children, the elderly and those with weakened immune systems. We insist on only using reputable suppliers to help minimise any risk.
